“ *Grandma, I remember when I was little you used to call me in your room, ( I was thinking you needed something), and all you wanted was for me to sit there and talk and to scratch your back! Lol then I would pretend we were in a fashion show and paint your nails and do your makeup and hair. I could go on forever,I just want you to know I love you with all my heart!! I can't wait to see u again one day. R.I.H Grandma Jean.*

“ Mom, there are so many memories we have made together and shared in our lives. Thank you for guiding me in the right direction, for catching me when I would fall, for scolding me for doing wrong and for praising me when I did right. I love you dearly and I miss you tremendously.
