“ Barb, sending very warm thoughts and Hugs to you. I have very good memories of John while we worked for MMR. Always positive and with a smile every day. Doing the daily runs, morning and afternoon and wishing each one a good weekend at the end of the week. He looked forward to the weekend to get away to your little place of paradise up north. His unwavering commitment to help furbabies to find their furever homes, in this area through local rescue groups. A very compassionate and humble soul who spoke very highly of his "Barb", who loved you so much. Whether it was your BD, Anniversary, Special Day or Holiday, he always put so much thought into his gift for you. Sometimes he would tell me what he was going to buy or what he already bought, and he was soo excited to see your reaction. Always remember John will always be a heartbeat within your .
