“ *Borle: So sad to hear this. What awesome memories we had at College. Had to get your bed up out of bed for breakfast so you could hit class. Great softball memories and lots of laughs on our farm. Baling hay one day with the Bergdolts and milking cows. Brings a smile and laughs to my face and my heart. Welcome to Heaven Borle. May God send his loving arms to your friends and family. You definitely will be missed! Debra Bergdolt Marzluft*

“ Oh Borle, I was so saddened to hear of your passing. My thoughts and prayers are with the entire family. I have some great memories of playing basketball with you in the Can-America games and playing against you in the Eisenhower vs Valley Luthern games. YOU were best known for your "high Socks" so you could keep the bottoms of your shoes clean by wiping them on the socks. The last time I saw you, you gifted me with a Bible and a personal note. I will cherish this gift and all the fond memories.

This just can't be true, I want to call you and tell you all the things that have happened since you passed. I want to see your smile and hear your voice. I want to laugh and complain about family members and remember our childhood and talk sports and about all the memories we share. I know life goes on but it just doesn't seem right.

I miss you
