“ Our family is so sorry to see the news of Kenny’s passing. As a lifetime friend and fellow car guy of my fathers he was always around when I was growing up, either in a cool car or on his bike and always had his pipe 🍷the memories of him make me smile and I guess in the end that’s what it’s all about! Rest easy Kenny, tell me dad I said hi. ❤️

“ John & family - so sorry to hear about Kenny. I have so many fond memories of working with him at Glastender and sharing his passion for hot rods. Tom & I bought his ‘32 coupe in 1999 and still have it. We considered it a gift that he sold it to us. Rest in peace dear Kenny. You were loved and will be missed by so many. 💔

“ Kenny was a great guy. Got to know him in the early 70's. We both had many nice cars over time and would meet at many car show's. He would ride his bike. to look me up. He really like a 51 Nash I had. We had many good talks over breakfast at the Bringer Inn, RIP Kenny you will be missed.

“ I will always remember his 1957 Chevy "Angel Baby" Black with purple pearlescent flames, he was very proud of it and showed it as much as possible. Then years later he was a fixture at the Friday night car show at Green Acres plaza with his burgundy 1932 Ford 3 window coupe. Ken was a great guy to everyone who knew him.

“ Grew up knowing Kenny, he and my father would solve the world's problems on my father front porch during his many bike rides. At my father,s funeral, Ken asked what we were going to do with his cat, rescuing him from being put down. I will be eternally grateful for his compassion. RIP Kenny
