“ I met Kurt in Findlay Ohio a few years ago-he was working in Findlay and came to our Pioneer Club which also was involved with AA and NA-he was such a big help to our outreach to those in need-we became friends and even closer over time-we had lunch together on many occasions-we would talk-I told him of my experiences in the Philippines and how happy I was after going there-Kurt asked many questions and seemed to be very interested-after time went on I introduced him online to my fiancée sister Evelyn they became friends i-Kurt was happy he smiled and he soon set off on that journey to the small Island of Panglao-he was there almost 1 month-We both had made plans to go back there together-Kurt helped many of the Apao family there especially his sweetheart Evelyn-He insisted Evelyn go to college and to fulfill her dreams and she did-Evelyn was a loyal partner to Kurt never wavering in difficult times over the past few years-Kurt made a difference not only to Evelyn but to the Apao family helping whenever he could-the children especially-Please keep Evelyn Apao in your prayers-as I keep the Princing family in mine-I miss him dearly and we had dis agreements most certainly as all friendships do-We were able to put those aside and move forward-thats a brother and we saw a future together in our retirement in the Philippines-God bless the Princing family always

“ *I am so sorry for your loss, omg I can't believe this. I know I've been gone for many years but every time I came over Kurt was taking something apart..a radio, stereo, etc. I was always amazed at what he could do, he really loved doing that kind of thing. I will remember him always. I will let my parents and sister know the sad news. Love you all..your old neighbor. Jennifer (Hinds) Wanner.*

“Kurt was a positive force on the Good Shepherd youth basketball team, which I coached in the mid 70’s. While not blessed with a lot of natural ability, Kurt more than made up for it with his big heart and strong work ethic. Kurt’s teammates welcomed, supported, and encouraged him. Before Kurt would enter a game, I would look at him and say, “Are you ready?” Kurt would broadly smile, nod his head up and down and reply, “I am coach!” I became a better person because of my relationship with Kurt - and, I married his cousin, Sharlene! ;) My heartfelt condolences go out to Nancy, Dennis, and the entire Princing family.
