“ When we first got to meet Landon and Ashton, my son Martin kept asking daddy to hold the baby. So Martin went up to Sarah and asked if he could hold the baby and got to hold Landon. It was sloop precious to see. Will never forget that.

We love you Sarah, Steven and Ashton. I still can't believe he's gone. Remember that Landon is an angel, and he's flying and soaring high with our Lord and looking down on you from the clouds. Every time the shines down, it'll be him telling you he's there and always will be.
