“ *I remember going to his mom and dad's house and he was taking care of the horses that they used to take to carnivals for young children to ride. It was nice of him to call me a while ago and tell me he loved me his cousin. That meant alot to me as I hadn't seen him in a few years. I have many memories of going to the farm and visiting whomever was at aunt amelia's house sometimes we even got a chance to eat at their house. God Bless all of his family at such a sad time. His cousin Joyce(Clauss) Krogman. My mother and his mother were sisters.*
