Leslie A. Bierlein
Bay City, Michigan

Loving wife, mother, grandmother, sister and friend passed away unexpectedly on Friday, July 5, 2024, at McLaren Bay Regional. Age 58 years. Leslie Ann (Richard) Bierlein was born on July 13, 1965, in Bay City, Michigan.

The most important thing to Leslie was her family. She was so proud of her children and grandkids and made sure everyone knew it. She was married to William G. Bierlein on April 23, 1996, and he survives her. She is also survived by her children, Justin (Courtney) Habina and Heather Habina. Her grandchildren, Makalah, Cooper, and Tanner Habina. Her sister, Danielle (Mark) Shotwell, and her niece and nephew, Brendon and Allison Shotwell.

She was preceded in death by her father, Lawrence Richard, and mother, Marlene Richard.

Leslie had worked in bakeries for most of her career prior to her retirement. Her hobbies and past-times included making memories with her children and grandkids, antiquing with friends, crafting, vacationing in the Upper Peninsula, maintaining her beautiful yard, and watching the squirrels and birds from her

back room. Her dream was to some day live in the Upper Peninsula. She loved going out on the kayak on South Manistique Lake and watching the Loons. Leslie was a great cook and baker, she could make anything taste good. She always made sure everyone else was taken care of, even if it meant putting herself last. Leslie had a way of making you feel like everything you said was important and that she cared, no matter what it was. She was loved dearly by those who knew her and will be greatly missed by many.

In accordance with Leslie's wishes cremation has taken place.

The Celebration of Leslie's Life will be held at 11:30 am on August 23, 2024, at the Kawkawlin Community Church, 311 E. Grove St.; Kawkawlin, MI 48631, with a luncheon to follow.

“ She was one of my closest friends in High School. Hanging out after school at each other's home was something we loved to do. She introduced me to Danny Ross who became a close friend as well. We did have our ups and one really bad down. If course later through the years all was forgotten and forgiven. I loved her laugh and how kind she really was. I will truly miss her 😞

“ My partner in crime back in the day and my dearest friend of 44 years. I love you so much. You absolutely were a great cook just like your mom was. Our son Jessie was just talking about your chicken a few weeks ago and he was just a youngster when he ate it. ❤️

Oh my ,my heart is saddened my friend Leslie Richards. We go way back to where we were little girls and we played on Jackson Street at her house. I went to school with her at Farragut school and I often ran into her around Bay City. Leslie Leslie Leslie you would definitely be missed by me. Your friend Pam.
