“ *I am so sorry I didn't get to give my condolences personally. Linda and I were friends from Kindergarten on. My fondest memories were us in her bedroom reading teen magazines and fixing each others hair. My mom wasn't real happy with the way she cut my bangs, but we had fun. I know that her and Brook are so happy now together in heaven.*

“ Hello,

My name is Pamela. I just wanted to take this time to send my condolences to the family. I too have lost a loved one in my lifetime. Did you know that the bible makes it clear that God did not originally intend for humans to die? (Gen 1:28) The bible also tells us that God has the power to bring the dead back to life and that he will do just that!! Isaiah 26: 19 states, "Your dead ones will live... They will rise up". Jesus further reminds us at John 5: 28, 29 " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." If you would like to find out more about God and his promise of the resurrection, please contact me at my email address comfortfrmthebible@hotmail.com.

“ *I am sending prayers to Linda's husband and family. I remember growing up as kids in Carrollton. We would camp out in Linda's driveway in their camper. We had a lot of fun!*

“ My deepest sympathy to the family. One of my favorite memories of Linda was her love of children. I always enjoyed talking with her when she came to the Neo-natal ICU and rocked and held those tiny babies. I am sure she is still doing it in heaven.

“ I remember when Linda babysat me for two weeks when my parents were on vacation. She was the greatest!!!! She helped me plan a slumber party with 10 of my friends. She had activities planned for the whole night and I had the best birthday/slumber party ever!!!! Linda's love for kids always shined through.
