Lisa Marie had fought a courageous fight with cancer, yet passed away on Friday, June 25, 2021, at her home with her loving family at her side. She was born 60 years ago on March 29, 1961, in Portsmouth, Virginia. Lisa Marie married Jeffrey Alan Wobig on October 21, 2003, in Las Vegas, Nevada, and he survives her. She is also survived by her parents, Stephen G. and Dorothy L. (Valerio) Massa; her sisters, Valerie Cornelius (Daniel), Lynn Doremus (Chris Thaw), and Linda Weiss (Donnie Cabrera) Bureker, of Colorado; mother-in-law, Sandy; father-in-law, Bob; and brother-in-law, Steve Wobig, of Saginaw, Michigan; beloved dogs, Mindy and Herman, and bird, Jewels; nieces, Monica Cornelius, Krystina Spencer, and Ashley Weiss; nephews, Mark and Brian Cornelius, Duston Cabrera and Kevin Doremus; aunts, Margaret Montoya and Ruth Nielson Valerio; uncles, Greg, Paul, and Orlando Valerio; many loving cousins, extended family members, dear friends and special friend, Sylvia Castillo.

Lisa had a way of making everyone she met feel special. She was a talented artist and had a colorful personality. Lisa loved collecting Betty Boop and enjoyed camping, fishing, traveling, and loved caring for all types of animals (a real Little Miss Doolittle). Her mother, father, and sisters will miss her

contagious laughter. Her nieces and nephews will miss her permanent lipstick kisses, midnight margarita dances, and green M&M movie nights. Her husband will miss everything about her dearly.

Lisa Marie's memorial gathering will be held on Thursday, July 1, 2021, from 12:00 noon until 3:00 p.m. at Wakeman Funeral Home 1218 N. Michigan Ave., Saginaw, Michigan. In accordance with family wishes, cremation will follow her memorial gathering.

“ *My aunt Lisa was one of a kind!
Her permanent lipstick kisses, and Betty Boop collection, midnight margarita dances with my mom, all these things seemed a bit much....
but that's what her love is like. It's so much!*

Her love for life, family, and friends had no boundaries and I'll always remember and love the way her bright personality flowed through her paintbrush to her canvas, her lipstick on our cheeks, and every eater basket she would make ❤️ Love you and miss you Aunt Lisa

“ *I remember meeting Lisa, my Aunt Dorothy, Valerie, Lynn & Linda in New Mexico when my Grandma Valerio passed away. I was happy they decided later to make Colorado their new home.*

Lisa had such a loving & fun energy that I will never forget. May she rest in eternal peace & fly with the Angels.

I'm sure she's planning to paint her next masterpiece on heaven's walls.

God bless you ❤️ Cousin Michelle

“ Elisa's Esperance

Brad Bolen racing stables asked for some help naming this beautiful filly. My mother, my uncle Greg, my sister Valerie, Jeff and I sat around the table and we thought it would be special to name her after my spirited sister Lisa, who was weak and in the hospital at the time. The dad of this horse is Jumpin Chic, mom is Esperance. We came up with the name “Elisa's Esperance” which means Lisa’s Hope in English. Brad Bolen racing stables agreed that it is the perfect name for her! We are so touched! We think of the Michael Martin Murphy song “Wild Fire” when watching this video, which has very special meaning to my beautiful mother. 😊 Thank you Bolen Racing Stables!!!!

“ Lisa knew the love for nature; for it was a kind way to be soothed and healed, and that is how she expressed herself in her art to the world. I will always remember her beautiful smile and her love for her aunts, uncles and relatives.

She always made everybody feel welcomed.

Walking on the sandy beaches of Mexico will always be remembered with her beautiful laugh and stories that everyone enjoyed about the family.

You will always have a special place in my heart and soul and unconditional love.

This is the poem that came to me and I want to share it:

"To Lisa"

Listen to the wind blowing in the air

Listen to the trees, that's where I'll be

Listen to the rivers when no one's there

By the clouds and the sky, I'll be there

I love you all, don't despair

My time has come, but I'll be there.

This is my poem for You!

“ I first met Lisa when I went with Paul to meet the whole Valerio-Bureker-Montoya clan in Denver in 1984. I didn't know what to expect because we were meeting each other for the first time. Everyone was sitting in a giant half circle. Steve had brought those incredible pies for us to devour and there I was in the middle of all that family love which thankfully has continued over these many years. When Lisa offered to do my hair and makeup for our 1987 wedding, I was thrilled. This was such a gift to me and I will always be grateful for her help. Lisa's visits and phone calls were always full of life, laughter and love. Her talent as an artist was superb and her personality beyond compare. I shall miss you and want to thank you for all of the love and joy you brought to all of us over all these years.

“ Rob and I could not ask for a better daughter-in-law than Lisa.

We couldn't spend a lot of time with her because they lived in Colorado and we were in Michigan. But when we did get together, we couldn't ask for a better time. She had one of those personalities that whoever met her, liked her immediately.

*Goodbye Dear Lisa,
May God welcome you with open arms.*

Love you always,

“ There aren't enough words that can describe my Aunt Lisa. The most that come to mind are beautiful, kind, loving, hilarious... honestly the list goes on and on. I will always cherish the wonderful memories I share with her. The permanent lipstick marks on my cheeks, the tickling attacks she would give us nieces and nephews, and the midnight margarita dances she would wake my sister and I to do with her and our mom. There was never a dull moment with her, and she could always bring a smile to your face. I miss you Aunt Lisa more and more each day. I will love you always and forever. I will make sure my kiddos know who you were, and how much you loved them. Rest easy, this isn't goodbye because I will see you again, I love you so very much.

Your niece,

Krystina ❤️❤️

“ Lisa is my beautiful sister. She was very loving and caring. She was a Bridesmaid for my wedding. She was very talented, artistic and made my wedding flowers and gave me a great make over to make my day very special. She cared about my family, Daniel my husband and children, Mark, Brian and Monica and grandchildren, Luke, Maverick, Kaylani and Josslyn. She would greet everyone with a big red lipstick kiss and a great bear hug. When we were little we would play all day long and wouldn't come home till dark. Someone dared Lisa to but salt on squirrel so she can catch it and sure enough caught a squirrel. We would catch chameleon lizards in Spain and look for spanish treasure along the coast. We did a Hawaiian play doing the hula dance in Virginia Beach. Later we start painted together. She was very good at it. I always had a dream we would have our own Art shop in Toas. I will miss you very much Lisa and will always remember the good times we had together. Love always Valerie

“ I can't believe she is gone. It is so sad that she left us so soon but I find comfort in knowing that she is at peace now and lives on through her spirit. She was my crazy Aunt Lisa and I loved her! She was the free spirit of the family. She was someone who wasn't afraid to tell it like it is or say what was on her mind. I loved that about her. She also had a strong love for animals. One of my favorite memories of her was when we were vacationing as a family in Hawaii and she loved all the lizards. She would catch them and put them in these harnesses she made out of string so we could walk around with them. It was hilarious and I loved her sense of humor. Now everytime I see lizards I think of her. Her love for animals showed what a big and beautiful heart she had. Even though she didn't have kids of her own I know she loved and cared for her pets like they were her babies. I admired her artistic and creative side too. My mom has many of her paintings hanging on the walls of her home and they are so beautiful. We will continue to enjoy them. One of my favorite painting that she showed me was one she did of a beautiful lion. She was very talented. She also love the cartoon Betty boop and shared with me some her her favorite episode as a kid. I loved her collection of Betty boop and it inspired me to start collecting some of my own. Most of all I loved how much of a caring and loving sister she was to my mother. I know my mom wouldn't be the person she is today without her and for that I am forever grateful.. She was a wonderful aunt and I will miss her dearly!
Fly high Aunt Lisa!

Rest in paradise

You are our angel now

Love, your niece Monica

“ *There is an empty place in my heart! I will miss my beautiful sister more than words can express! She was my protector, she always made me feel special, and taught me to always do a little something extra to make others feel special too. I will miss our midnight margarita nights, art projects, and spa days. She taught me that family is so important! She was one tough cookie.... and that is why I always wanted to stay on her good side!*

“ I'm missing my beautiful wife more than anyone would know. I miss the camping days, hanging by the firepit with her and my friends. Everyone enjoyed the beauty she brought to the camp. I will miss our road trips up to the mountains while camping. I will miss the fishing with Lisa and the chore of baiting her hook. I will miss the many vacations we took to Cabo San Lucas, back to back cruises on our honeymoon, and our trips to Michigan to visit family. Mostly I will miss her beautiful smile, kind heart, her love for the fur babies. She would always say "everyone needs to have a partner"... 2 dogs, 2 birds, and a boat load of lizards. There will be an empty place in my heart without her. By the way...the bird is up for sale! LOL!!!

“ Lisa was always the life of the party. If she went somewhere and it wasn't a party, it was once she got there. We enjoyed watching old movies together and going to musicals. Her favorite musicals were My Fair Lady, Carousal, Jesus Christ Super Star, Evita, and heck she actually loved them all. She was always looking for a new and exciting challenge and her enthusiasm was enough to get anyone motivated. She was like Bubba Gump with potatoes (she liked them in every form). I will mostly miss her enthusiasm for life, her imagination, persistence, and until now her resilience!

“ My sweet beautiful friend Lisa, I have so many memories of you, all the way back to 1981 when we first met in Greeley, Colorado! All the fun and craziness we had in our younger years will not be forgotten...I will always remember going to First Friday Art events, Cherry Creek Art Festival, the Denver Art Museum... really anything to do with Art I did with you, including taking my first painting class. I never knew i had a bit of artist in me until that day... I thank you so much for introducing me to the world of ART!

YOU my dear are one of the Best.. I love you and Miss you already!

“ My beautiful courageous daughter loved life. She was selfless, always thought of what she could do for others rather than herself. She made sure everything she did was over the top and had her special touch. Our best memories were going to the art museum, vacations, and painting together. She loved mythical creatures and used her paint brush like a wizard with a wand (her artwork was beautiful). I will miss her dearly and think of her everyday. She will be in my heart forever.

Love,
Mom
