I'm sicken by the ethics and morals of your organization especially your son Brian, your organization buries my mother and then has an affair with my wife, what more could be expected, I guess he had to payback somebody because his wife did to him. So stop feeling sorry for him and worry about the activities that are occurring in your organization.

“ *To the Knight Family,*

I am truly sorry for your dear loss. During your time of grief and sorrow, it is my hope that you are able to find some comfort and hope in knowing that God Almighty has the power and the desire to resurrect our dear loved ones to a paradise earth. You can read such loving promises at John 5:28, 29 and Revelation 21:3-5. Please accept my sympathies

“ David and Geri and Family,
Lola will be missed by many. She always had such a positive outlook on life and was a gentle soul. I'm sure my mom was there to meet her when she arrived in her Heavenly home. Peace to all of you.
