“ *Jim is my dad's best friend and I don't remember not knowing both Jim and Lottie. Lots of memories over the years. I cut jim's hair and colored and cut Lottie's for many years. A total of about 25. We got to know each other pretty well. Lottie was always so strong, she was always laughing and she worked so hard. We always had a great time and visit and she appreciated my work. The day I called to tell her I could no longer do their hair because I was moving she said I'm so happy, you go and enjoy life and be happy. I'm sad and so sorry for your loss. May she rest peacefully with the Lord now. Til we meet again...*
