*I remember mom and Lucy having tea breaks together when we were kids, she hung her laundry on the line to dry and you would sprinkle the laundry and iron while she was at work, and I remember her springerly and leibkuchen cookies. She was a great lady and we will miss her.*

“ Sue,  
I am truly sorry for your loss. I know how difficult it can be. I remember spending time at your parents place up north and my Aunt lived just down the road. Those were the innocent times of childhood. Was just last year we were talking of this and our mothers.  
My thoughts and prayers are with you during this most difficult time.
