“ Dear Jessica & family,
We were very sorry to hear of the passing of your sweet boy, Lukius. His loss will be very difficult for you now as your life for the past 5 years has been all about caring for his many and complex needs. You must know that despite his short time here, you have provided him with the best quality of life possible and that he now is at peace and not confined by his earthly body. We know that you have many fond memories that will sustain you as you move forward. It was a privilege to care for Lukius and we will miss him as will all of his caregivers. Please take care. You are in our thoughts.

“ Jessica--We would like to share our deepest condolences with you and your family. We really haven't known you for very long, but it is truly a sad day on earth for you, but in heaven, where Lukius is now, is a day to be happy for him, as the Lord needed another little angel up there to help him oversee the world. Lukius is in a better, happier place where he knows no boundaries, and only happiness in the Lord, for Jesus has called him home. Your friends, and Callie's new mom, Kathy & Jon Majewski.

“ My sweet Lukiepoo, how I miss you and didn't get a chance to say goodbye! We shared so many memories together and how you hated bath time, but we always got through it. I know, you are in a better place where you can truly shine! I will always remember your sweet smile, you gave me when we sat outside watching Elmo. My heart and prayers go out to you all! Love you little man, Tina Medrano

Lukius was the sweetest baby I know. I loved him with all my heart and soul. I started taking care of him about 3 years ago, then left his care for awhile, but when my agency told me I would be able to be Lukius's nurse again, it delighted my heart. he meant so much to me that I always talked about him to my family. They knew how much I loved him.

I love the photo on this site. The shining star of bethlehem up above a sweet angel's head.

I know Luikus is now in heaven and probably can't hear me, but I still want to say, "Lukius, I love you with all my heart and soul, you are my angel baby, and I will love you forever, and I will miss holding you in my arms and rocking you as you fell asleep on my chest. God bless you, dear little one.".....Nurse Shari

“ I was one of Teacher asst of Lukius at Millet, It was a pleasure to work with him and spend time even though he either sleep or awake, he be babbling or cooing, smiling, very cute little boy. There are time he be complaining and I would hold him and just talk to him and he loved that, I will alway remember him of that. So sorry he passed on and he will be missed. I pray right now that the Lord will give you all families comfort and peace knowing that Lukius is happy little boy he running, playing, smiling, laughing have fun with Jesus.
