Great Aunt Marce was such a sweet lady. I'm so thankful I got to spend some time with her on October 2, the day of my Grandma Dort's burial. She was taking it hard, because she wasn't going to be able to talk to her sister again. I think she literally died from a broken heart, and now she will be up with all her sisters and can talk as much as she wants!! My last words to Great Aunt Marce was I love you, and she said it back and had also thanked me for keeping her hands warm. Bless their beautiful hearts. With deepest sympathy 🧡🙏
