“ I've known Marie most of my life and when Pauline went to Hoyt, I always looked forward to pushing her to 5th Avenue where we would usually see Marie reading her Bible or working her crossword puzzles. She always had a big smile on her face when she saw us and we always had a lot to talk about. It was one of the highlights of our day, We will truly miss her but Jesus has gained a great friend.

“ Marie was always a hard worker around Holy Cross Church and School. We enjoyed her many visits to our home for a variety of parties. She had a warm smile for everyone. We appreciated her friendship while we served at Holy Cross. We remained in contact with Marie at Christmas and always looked forward to her hand written letters. May God grant her family the peace that only He can provide. Our sympathies.
