“ *Living in Vermont, I don't always hear about things in Saginaw, so I just discovered this. I'm very sorry to hear about Mark. My brother Mike and I lived two house away from Mar and Jim and 2 years seperated the four of us. We spent a lot of time as kids hanging out together, playing baseball in the field behind my parents house, along with football and basket in our driveways. We also camped out in the summer, a lot of great memories. My belated condolences to Mark's family. Ric Steffen*
