Marsha Rose Jolin

November 29, 1950 – December 23, 2024

Marsha Rose Jolin, 74, passed away peacefully on December 23, 2024, after bravely facing a lengthy illness. Born on November 29, 1950, in Saginaw, Michigan, Marsha was the cherished youngest child of the late Curtis and Virginia (Rolfe) Jolin. A lifelong resident of the Saginaw area, she was deeply rooted in her community and brought joy and kindness to those around her.

Marsha dedicated over 30 years of service to the Fraternal Order of Eagles #497, where she not only worked but cultivated meaningful friendships that became her extended family. Her warm and loving nature endeared her to everyone she met.

In her personal life, Marsha found immense happiness in simple yet profound joys—traveling with friends, creating lasting memories, and spending precious time with her beloved feline companion, Jet. Her vibrant spirit, sense of humor, and compassionate heart left an indelible mark on those fortunate enough to know her.

Marsha leaves behind a legacy of love and cherished memories with her devoted brother, Curt, and sister-in-law, Chris (Campbell) Jolin, as well as her

many nieces and nephews, all of whom were deeply touched by her warmth and generosity. She is reunited in peace with her parents, Curtis and Virginia, her sisters, Betty Gordon and Maxine McKeown, and her brother Russell.

The family wishes to express their heartfelt gratitude to the ICU staff at Covenant Medical Center Cooper for their exceptional care and compassion. In honor of Marsha's memory, donations may be made to a charity of your choice, reflecting her love for helping others.

Marsha's wishes for cremation have been honored, and there will be no formal services. While her physical presence will be greatly missed, her spirit and the memories she created will live on in the hearts of those who loved her. Memories and sympathies of Marsha may be shared with the family on her memorial website at WakemanFuneralHome.com

“ *Marsha was my best friend when we attended Hemlock High School. I spent weekends with her at her home so knew her parents and siblings. I went to Curt's wedding. After graduating, unfortunately we went separate ways, but she did come one weekend to Western Michigan University to visit. When I'd come home for a weekend, we'd try to connect. I've always held a special place in my heart for the good times we had during our high school years. Rest In Peace my high school best friend.* ”
