“ *Hi,  
My name is Felicia Horton. I am a employee of A&D Home Health Care. Mary was a part of our A&D Team. She was a wonderful nurse!! She was such a sweet person. I really enjoyed working along beside her. She was always so positive and whenever I would see her somewhere, she always had a smile on her face. I always remember seeing Mary at the strawberry festival. I will always remember her as a kind, gentle person. She certainly was a very special peach in God's orchard and a beautiful flower in his garden*

“ To Mary's family,  
My Mother & I, and Father (now deceased) were friends of Mary & Sandy. Mary worked for My mother at her store and for me at my store. She was a wonderful person and we enjoyed having her with us! I know she was heartbroken from loosing Sandy... we felt her health greatly deteriorated after Sandy's passing. We felt very bad to know of her passing. We extend our sincere condolences to the family.
