*I typed this part of the msg. 1st, then lost it, but didn't know until later. So here is the first part:*

*Mary is one of the nicest people I have ever met. I worked with her from 1959 until 1978 and knew her for five or more years before that. We shared birthday and Christmas cards for around 50 years. Visited her at her home on Beech St. many times and spoke with her on the phone quite frequently.*

*She will be sorely missed.*
