“ My deepest sympathy to your family. Mary was like a second mother to me for a short time when they lived on Genesee St. Our backyards butted up to each other, we lived on Mershon. I was always over there playing with Danny and Annie, they were younger than me. Mary made a flower girl dress for me when I was in a wedding. Fond memories of Mary. She always reminded me of Samantha on Bewitched! Fondly, Janis Kilgore (LaFleur)

“ Growing up as Sharon Langhorne in her same neighborhood, my siblings and I grew up with her kids. She was always available as another mom with us kids. Loving, kind and patient. As I became an adult, she even made my wedding dress, which was gorgeous. A wonderful woman, she will be missed. Love and prayers to her family.
