“ *Aunt Meta was my Godmother*

*I spent much time with the family as a child. I close my eyes and can see the house where the piano set. I remember everything including goats milk.*

*I was stunned I wasn't notified of her passing. I haven't seen her in 15 years but at 67 I cherish that memory and the talk we had. She was the most proper loving person I've known in my life and I was ALWAYS so proud to brag she was my Godmother*

*My prayers and Condolences to my Uncle Clarence and cousins and all there families.*

“ Dear Clarence, Allan, Dale and Family,  
It is with a great sense of loss when I heard of Meta's death. My heart is truly saddened. Please accept my deepest sympathy. My memories of visiting with all of you in Berwyn when I was a kid from Northern WI has always remained. Allan & Dale took me on the train to downtown Chicago, went to the Field Museum, aquarium, and the Museum of Science and Industry. I think that those adventures influenced my adult life encouraging me to grab opportunities to go to South America, Asia, and Europe. I can't tell you how much that means to me.  
With all my love,  
Bruce Hemminger

“ Meta Hemminger was a great friend, as was her husband Clarence. Two of the most caring people I've ever encountered in my life. Her kindness to me, my family, her church family at Zion Lutheran/Lyons and anyone who had the pleasure of crossing paths with her will always remember her, as well as Clarence. She taught me so much in my life that I will be eternally grateful for. God blessed me the day Meta & Clarence came into my life in 1983. They lived their faith and were ever so proud to do so for the Glory of God and His promise of eternal life. Clarence, I wish I could be there so comfort you. My heart breaks for you on the loss of your beautiful wife of over 70 years.  
You both are forever in our family's hearts. God truly gained a selfless person last week.
