“ I did not know Nicole well. I am an old timer from day shift who only knew her well enough to say "Hi Barney" when we would cross paths at shift change. She always returned a smile and hello. My heart breaks for her family and friends. I wish I had some great wisdom that would help ease the pain, but I don't. All I can say is .. I'm so sorry.

Sitting on my front porch watching our kids play. Her bringing us vegetables from her awesome garden. All of her great deals at stores, rummages, and trash picking! And, of course, her apron wearing!! We will miss her greatly!*
