“ Roger, don't even know what to say. There so many memories these last few years with you both. So glad we found each other again. The casino trips won't be the same anymore. What fun they were with so many laughs. She didn't even care if she won or not, we were just loving being together. Our hearts are broken for you and the family. She will be so missed. Love, hugs and prayers!

“ We were so sorry to hear of Pat's passing. I have known her since our pre-Kindergarden school in East Tawas. We always had so much fun with her in Campfire girls, etc. We loved listening to our Irish Lads playing, singing and joking. She was full of laughter and will truly be missed. Our great memories of travels with Pat and Roger will keep her alive in our hearts and minds. Our hearts and prayers are with the family. Rest in peace, dear Patsy!

“ We were neighbors for several years and friends for many many years. I have many fond memories of Pat, but one I love most is when Bill and I and Pat and Roger took off in our motor home traveling the shores of Michigan to visit as many lighthouses as we could in two weeks. What an adventure.... and with Pat, it was always filled with a lot of laughs. And one thing in particular I admired about Pat was you always knew where she stood...she said it like she saw it and believed it to be. Even though it had been a while since spending time together, she still leaves a gap in my heart. Rest in peace dear friend.

“ I'm so sorry to hear about Pat's passing. Pat was an amazing woman and treated me and my family as her own. We met at the casino in 2007 and kept in close contact over the years. Pat and Roger never missed Wasaya's birthday and always made sure to call when they were traveling up North. I will miss her contagious laugh, her bear hugs and her sweet kisses on the cheek. My heart hurts for Roger and boys. May you rest in peace, dear Pat.

“ Roger, I'm so terribly sorry for your loss. Pat was always so kind and had the most infectious laugh. I remember on a trip, bumping into you both in the airport. I told her I was nervous the fly. We chatted and she calmed my nerves, talking and getting me to laugh. It may seem like something small, but I still think about her every time I fly. I don't even really remember what she said, just her smiling and helping me calm my fears.

You and your family are in my prayers.

Love
