“ *I remember as a kid how, after dinner, we'd take a drive to visit one of my aunts and uncles house. How we'd stop, and if no one was home, you'd write a little note saying you'd stopped, then off we'd go to the next house. And sometimes you'd run into one of the family who wasn't home. I'll miss your mom's smile and bright, cheerful personality. Love to you Debbie, Rox and Kevin, and families.*
