“ My sincere condolences to the family. I met Patty as she was transitioning to working solely for the MIS Group. She helped orientate me as I began working for the work group she was leaving. She was very helpful, upbeat and lots of fun. She will be missed.

“ The first time the Hanson Family met Pat was at Hemmeter School where church services were being held in the school gym. Pat greeted us warmly with her beautiful smile. She sat behind us during the service. When she heard my Dad Rolf sing, she invited him to be in the choir. I will never forget her beautiful voice and smile. Pat's love for the Lord was shared with all. Thank you for the many years of being a part of the Hanson Family as well as the Resurrection family! Kathy Hanson Bicade
