“ *I was a classmate of Paul's and was so saddened to hear of his passing! In school he was always so polite and such a kind person. My thoughts are with Paul's family during this difficult time. May your memories keep his spirit alive. ~ Michele Spitz Wietfeldt, Hemlock*

“ So sorry to hear the news about Paul. As a classmate Paul was always so quiet. Even though I had know him for years by name (since he went to Iva and I to St Peter's) I never really knew him until we were assigned to each other in an english class for a project. Then and only then did I get to know Paul and his enjoyment of family and the trips they went on. If it were not for that assignment, I would never know what he was all about. He also always took such good care of the cemetery. Whenever I went to my father's grave you could see his hard work ethic in the maticulous way he took care of the place. My heartfelt condolences to his family and friends.
