“ My brother Bill was a friend of Dick's and they would ride bikes together. I remember him coming over to the house to hang with my brother when I was younger. My prayers are with the family and friends of Richard.

“ My 1st 4th of July in my new home right next door, oh my goodness did Dick love fireworks. They landed on my roof and started burning. I was outside with garden hose wetting the roof. I have never went away on the 4th ever since. For years it was just an empty field. May he rest in peace, will be truly missed. Your pain in the behind neighbor, Sheryl Reppuhn

We bowled on the same league with Dick for many years, although not on his team, Dick made it a point to banter and share well wishes with myself and teammates every week, always with classic grin. We will miss him very much.

D\*\*\* man was a very good friend of mine. We had some good times together. I'd like to joke with him and column banana man. Because the one time we went to tip uptown he was wearing a yellow jumpsuit and they looked like a banana. He will be missed my sympathy and condolences from my family to yours God-bless
