“ *We just learned of Bob's passing. The Arthur Hill High School Class of 1976 would like to extend our heartfelt condolences to the family and friends of our classmate and friend Bob. He was a friend to many of us, and we will miss him each and every day. Bob created a lasting impression on those he left behind, and those memories will never be forgotten. One day we will meet again and be able to share a laugh and relive those happy memories.*

So sorry to hear of Bob's passing and my condolences to the family. I knew Bob since second grade when I started attending South Elementary School. We were mutual friends with Joe Tilot, who also lived on Cypress St. I remember so well the day of the 911 bombings and Bob came in to where I was working and people were just hearing and talking about the tragedy. After we talked Bob left and came back with a small TV for me and even customers to follow the news. A grand gesture on a tragic day. RIP Bob.
