“ *I am so very sorry to hear about Bob. Had no idea until Deb Petzold sent me email message. Hate this for all the family and friends he leaves behind. He was always there to help my mom and dad in Florida, taking them places, going out to eat with them, visiting with them, transporting my dad back and forth to Tampa, along, of course, with Karen and Clint, and Ann and Curt. Bob and I were cousins, our mothers were sisters. He picked me up at Orlando airport many times to take me to my mom and dad's. I remember when I was little, my cocker spaniel had a litter of puppies, not purebred, and he came and took one home. Words will never be able to express what he meant to me while my parents lived in Florida until they died. Hope you and my parents are having fun in heaven with golf and cards! RIP Bob. My family and I love you and you will be missed.*
