

Mr. Robert G. Heft

January 19, 1942 - December 12, 2009

The designer of America's 50-star flag passed away Saturday afternoon, December 12, 2009, at Covenant Medical Center in Saginaw, Michigan. Age 67 years. Bob was born on January 19, 1942, in Saginaw. He was moved to Ohio as a young child, where he was raised by his grandparents. While a 17 year-old junior at Lancaster High School in Lancaster, Ohio, Bob made his mark in our nation's history by preparing for a U.S. History project in 1958, where he fashioned the family flag into what is now our country's symbol. Bob traveled the world extensively telling countless people of his unique story. Bob attended Ohio University and Ohio State University. He retired after 30 years as a high school and college history teacher. He was a seven-term Mayor of Napoleon, Ohio and past state president of the Ohio Mayor's Association. He was a member of Resurrection Lutheran Church, Saginaw, past president of the Saginaw Lions Club, District 11-D1 Governor of Lions Club International, was active in Habitat for Humanity, America's Promise, Junior Achievement, 4-H, and a former member of the Masons. His interest in flags originally came from his volunteer work as a former Boy Scout. Bob was a very proud American. He devoted his life to inspiring others.

Bob is survived by a nephew, Edward Heft, two great-nephews, E.J. Heft and Mark Heft; a great-niece, Julia Heft; many other nieces and nephews; half-brothers and half-sisters; a sister-in-law, Joanne Heft; and many dear friends, especially those at the Saginaw Lions Club.

“ I had the pleasure of meeting Bob a few years ago when he came to speak to the Ohio Society Daughters of the American Revolution. I was his contact person for the event. We spoke before the event and shared the diaz with our State Regent. He had the two of us laughing all through the dinner. Then I had the honor to introduce him and listen to his story. It was truely wonderful. Then he signed flags for our membership. I had him sign a small flag for my 4 year old grandson who had a birthday the next week. I know my grandson will appreciate this flag more when he grows older and can realize its importance. I already appreciate my signed flag even more now. All the Ohio DAR members will miss Bob and his wonderful American patriotism.

“ Our family has had the honor of enjoying Bob's friendship for the past 30 years, going back to when he first came to Napoleon, Ohio. He soon became part of our family and we have many, many fond memories. One time Bob joined us for a family gathering and we invited him to join us in a friendly game of "softball". We had players from all stages of life beginning with players as young as 6-7 and continuing on to my grandmother who was in her 60's. Bob was playing in the outfield and of course when the young kids would come to bat, he'd move in, and when the older players would bat he would move back. My grandmother finally came to bat and Bob moved way in only to have "Grandma" hit it way over his head into the outfield. He was in total disbelief that this little "ole" woman could hit the ball so far! He laughed and laughed and he brought this story up everytime he saw my grandma.

Another time he came to visit my wife and me when we were remodeling our house back in about 1978. We were hanging wallpaper and he was looking at all the improvements we were making. As he was getting ready to leave, we started talking about something and he leaned his hand against the wall and of course the newly hung wallpaper moved right down the wall. His face turned all red and he began apologizing and we all laughed so hard. We straightened the paper out and all was fine. Whenever he came back to visit after that he would always go to that wall and say it was the one he decorated. I last spoke with Bob in "Spenglers " in Napoleon this past spring where he was enjoying spending time with his good friends Rupert and Rita Schwienhagen. Bob was a very integral part of the "Hall" family during his years in Napoleon. He will forever be a part of our family. We love you Robert!

“*Mr. Heft as I knew him was a master of governance, an eloquent speaker, an inspiration, and very generous man. Mr. Heft spent many hours teaching me what it meant to be a good citizen and he helped me earn numerous merit badges, which ultimately helped me earn the highest rank in the Boy Scouts of America, Eagle Scout. I have frequently reflected on his personal story about designing the 50 star flag and this remains a inspiration.*

Mr. Heft you will be missed, God bless you and your family.

“*I have had the pleasure of knowing Bob for the past 3 years as we were both part of the local Toastmasters club. When our board held its first club open house, Bob presented our club with an autographed U.S. flag he signed at ground zero on the 4th of July. Being the incoming president at the time, I had the honor of accepting the flag on the club's behalf. I told Bob and the club that being a immigrant to this country with little to no english, no money, no assurance of what was ahead, his flag was a symbol of something we didn't have in our country. It was a remarkable experience and one I will cherish the rest of my life. I will miss you always my friend.*

“ I met Bob Heft by chance in 2002 at Bronners in Frankenmuth, Michigan where he was signing flag items. Through a long conversation, we talked about the company where I work, Herff Jones, Inc., being a manufacturer of scholastic recognition rings. He stated that he always wanted to have a special ring commemorating his design of the 50 star flag. I advised that I believed my company could design such a ring if he would come to Indianapolis to accept it and speak to our employees. Bob designed the ring and we crafted it for him - it was a beauty. His talk to our employees was unforgettable, but getting to know Bob Heft was the true treasure and I'm fortunate to stay in touch with him over these past years. When my wife and I dined with him one evening, we were regaled in stories of Presidents, his tours with the Bob Hope USO troupe, his visits with our GI's, our embassies, service organizations, etc. He was a delight to know - a true gentleman. He was especially pleased when his 50 star flag became our nation's longest serving flag. His place in America history is secure. May God Bless Bob Heft and his family.

“ *It was a great honor to have been a friend of Bob's. God gave Bob a very special gift to prepare our country's symbol so he could use it to spread patriotism and the freedoms we enjoy here in the United States all around the world. Any time a 50-star American flag ruffles in the wind in any place around the world, his contribution to our country's history will forever remain in everyone's mind. God bless you.*
