“ *Connie, Ron and Steve sorry for the loss of your Father, he was a stellar individual and always enjoyed seeing him on jobs we were on together. Remember when he coached are city league basketball team Ron, that alone took much patience and virtue, because we sure did suck, I had to keep looking at the bench to see if he'd walk out on us. Good memories and will do my best to come by and pay my respects. Ron Gutzwiller*

“ *My heart breaks at the that thought that this wonderful man is no longer with us but understand why he is now a guardian angel to so many who loved him. I have fond memories of being at Ron & Betty's "cabin" on the lake for many years. Betty - please know that our thoughts and prayers are with you during this very difficult time. Ron will be greatly missed by many but his legacy of love will live on forever.*
