“ *I was sorry to hear about Ron tonight. Ron hired me into Kroger in 1971 at the Genesee and Weber store and I had the pleasure of working with him there over the course of about four years on and off. He was a good manager and a good friend and someone I will always be grateful to for the many opportunities he gave me and the many great people I met there over those years. They were years and people I will never forget, thanks to Ron. On a more personal level, I always looked at Ron as someone who earned the respect of friends and co-workers and someone who had a genuine love for his wife and kids and put them first in his life, but still always had time for others. My most sincere condolences to his family and my deep, personal thanks to Ron for his friendship over so many years.....*

“ Sending so much love and hugs and prayers to the neighbors that has been apart of our life forever. Tom grew up next to you, I met you through Tom and now we are neighbors again. Our circle is small but it is strong. I will miss watching him ride that bike or his walk to the corner or seeing him at 7-11 buying his lottery tickets Love to Joanne & Steve & Carrie 🙏

Sad to hear that Ron passed away. I worked with Ron at Kroger for many years. He was a good, fair man. One of the best store managers I worked for. There aren't many of us left from store #328 in Saginaw (fairgrounds store). Always was good to see him on and off over the years. Nothing but good memories of Ron.

Sorry to hear of Ron's passing. I worked with Ron for many years at Kroger. Ron was a good, fair man. One of the best store managers I worked for. The old crew at Kroger #328 keeps getting smaller. Just lost one of the good ones. Always enjoyed bumping into Ron over the years and talking. All good memories.
