“ *I have so many memories of "Aunt Rose".....One of my favorites would be of playing cards with her and Sharon on those nights we'd all get together at Rose & Bob's. Her laughter was so contagious! She was always the life of the party. May she rest in peace eternal... Love, Dawn*

“ Although I didn't know Rosemary, I wish to send my deepest condolences to your family during your time of loss. I know how difficult it is to lose someone close to you. Yet, there's something that has always brought me great comfort in times like these and I wanted to share that with you.

The one thing we want when we lose someone is to be able to see them again. This is not just mere wishful thinking, such a prospect will become a reality in the near future. At John 5:28, 29 Jesus said "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." Yes, soon we will have the chance to welcome back to a paradise earth all those lost in death, including Rosemary. What an exciting time that will be!

At this time the pain of death still affects us all. Such will not be the case under God's new earth. At that time, death will be "swallowed up forever." (Isaiah 25:8) May you find much comfort in the Bible's promises. My thoughts and prayers are with your family during this time of great loss.
