“ *Sorry it took me this long Buddy to write something in your honor. I hope your not disappointed in me, I have tried to not break the promises you asked me to keep when you leave. I'm always going to be empty without you! I have no person now, my heart is completely broken and I don't know how to be without you. Your little man is just as lost without his Buddy. “ Rox-you will most certainly be missed. I can't even believe you're gone. Our hearts are broken for our Taylor family. Thank you for all the love over the years and for the laughs. You always had a clever one-liner that would make me crack up, I'd often think dang, why didn't I come up with that?! ;) I'm happy you're no longer suffering, but my heart hurts so bad that you and so many others from your family and mine are no longer with us. Pass out the hugs for us and rest peacefully sweets. We love you!!

“ Rox (Buddy) you were always the “cool” Aunt to Angie, Nicky, Jessica, and Justin! You didn't let everything slide, but you would let us get away with more than our parents did as long as nobody got hurt. I will always remember you as Nicky's most cherished Aunt and I will remember the kind hearted woman you always were to all of us as kids. RIP Rox and tell my Dad he better be behaving up there! Love and prayers sent to Rox and her entire family who has suffered so much loss these past few years 😞 You are all in my thoughts and prayers right now 🙏

“ So sorry for your loss. I worked with Rox at Wright K Technology for a number of years. She shared the same office as I and did data entry for me. We shared a lot of laughs together! I would always sing the word "Roxanne" when it played on the radio. I just friended her on Facebook 2 weeks ago, and I called her shortly afterwards and we talked and laughed together for over an hour! She was a very special person!! Thank God I had a chance to reconnect with her before she passed. RIP Roxanne.....
