“ *Sara, so sad...I was in sales at Pendell and when one of my customers would arrive for a meeting Sara would say to me "when you greet them be SURE you looked into their eyes". Of course I did because I was afraid of her ! and loved her thumbs up when I did it. Miss you my dear dear lady....Walt*

“ *At Quebecor-Pendell, we wanted to be world-class in every interaction with our clients and suppliers, and employees and future employees -- every phone call and every time someone walked in the door -- and you can't be world-class without an amazing "Manager of First Impressions." Sara was the positive personality of our company, and it was a bright, shining, engaging, sincere personality. Heaven just became a brighter place, and Sara is probably welcoming folks at the gates... God Bless...*

“ *Sara was always crazy about my rice krispie treats. Whenever I made them she'd take a big piece to keep in her freezer. Even tho they were the easiest things to make, she always talked me into making her a whole pan of them so she could have one whenever she wanted!! You will be missed Sara, the world will never be quite the same without you. My prayers for you and your whole family.

“ Sara was a light at the front desk and throughout Pendell/Quebecor. You couldn't walk past her without a comment from her that would either make you laugh or smile. Usually after talking with Sara, I was never quite sure whether I reported to Sara or Sara reported to me :)

While spending much of my time out selling on the road, calling into the plant and hearing Sara's voice (usually with a sarcastic comment from her) was like calling home.

Such a good heart!

You certainly lived life to the fullest and although you left us early, you helped brighten everyone's life you came into contact with.

Our heartfelt condolences to Sara's family!

“ Sara was a great person at the front desk and a great friend. I had the opportunity to work with her for many years at Pendell/Quebecor. She was always a professional person on the phone. I had to tease her about it when passing by the front desk which may her smile and giggle when she was on the phone. She will be missed my many people that she touched their heart. Our prayers are out to Sara and family. Duane & Peg.
