“ Many prayer go out to your family. You were such a great guy Scott, from the fun times we had in high school to all the years of you playing softball. You and I always found something to argue about and had lots of laughs about it. I'm going to miss you Scott! Watch over your babies and family from heaven!

“ *Mrs. Parsons & Family:*

We were shocked and so very saddened to learn of Scott's passing. We have never forgotten Scott. Don coached Scott in hockey at Birch Run NHL Arena several years ago. He was a great kid then! We saw him a few years later when he was working for a contractor who put a new door on the front of our house and he had grown to be a fine young man. You must be so proud to have called him your son!

It is our wish that Scott's legacy is carried out through his children and that they know their father was a wonderful person and they come to know him through the love of your family.

Our hearts go out to you. May God be with you and yours now and forever!

“ *I still cannot believe your gone babe. I would give anything to have you back so we could stare at our beautiful babies and laugh at all the good times we had. Even though we were not together you were my best friend. All of my memories are with you and the kids. There wasn't a day that went by that you didn't call or text me and the kids. Isaiah takes comfort in the fact that grandpa is taking care of you. He smiles when we tell him that. Sophia asks me a hundred times a day to see you. Gavin and Kaleb are completely devastated as well, you were a dad to them too. You loved them like your own. But I know you know that because your all around us. We will be forever changed because your not here. I take comfort that you are not in pain or suffering and worrying anymore. You are at peace. I can't wait to see you again someday! I love you so much!!! Aimee?*

“ *My husband and I want to send our sympathy to your family for your loss. We have recently lost dear friends to the enemy death. Each day can be a struggle to cope with the loss of one we love. We found comfort from God's word. In particular a promise found in the Book of Revelation. Revelation 21:3-5 in part says: God will wipe away our tears of pain and death will be no more. We hope this offers some form of comfort to your family.*
