“ Sharon a lovely very special lady left her earthly home to live in a home prepared for her in heaven. No more suffering and pain. Sharon and I were so much in love. I am just happy that we did a lot of things together in the short time we had together. Sharon was the best thing that ever happened to me. I will never forget her for all the love she showed me all the time. I miss her so much and I wish she was here to see our roses that are starting to come out. I will miss seeing that pretty smile of hers. I love you sweetheart.

“ To the Family of Mrs. Thoms,

I am truly sorry for your dear loss. During your time of grief and sorrow, it is my hope that you are able to find some comfort and hope in knowing that God Almighty has the power and the desire to resurrect our dear loved ones to a paradise earth. You can read such loving promises at John 5:28, 29 and Revelation 21:3-5. Please accept my sympathies.

“ *The greatest lesson i learned from my mom was how to be strong and have faith in our weakest moments. As kids, we never knew how rough things were. She never let it show. She faced every day just as she faced her final battle, with faith that God would see us all through the storm. I will miss her terribly but will never forget the life lessons she taught me. I love you mom.*

“ *My Mom was one of the rare people in this world who truly cared for others more than herself. She proved it daily. She was always there for everyone as a friend, as a mom, as a wife. She brought people together, she made them feel like a part of our family. She showed others what love truly looks like. We are all better people for having the great fortune to know her. Love you and miss you Mom....*
