“ AD and family, I am so sorry for your loss. Shirley was so full of life and loved everyone she came into contact with. She had a huge heart and a grand laugh. I enjoyed talking with her and listening to her sing and play her keyboard at HSS. Shirley loved spending time with all the residents and making them smile and enjoy their time with her. She and AD were staunch advocates for the patients for the residents too. She loved her groom dearly. Thank you Shirley and AD for your all your years of volunteering and advocating for others. I was Blessed to have known you. 🙏Peace, ❤️Love, 🙏 Prayers. Patty Reynolds

“ Our condolences to the family of Shirley McGregor! I fondly remember Shirley as a very happy- go-lucky lady with smiles and laughter all the time! She and her family were members of my Dad's church way back in the early 1960's. They were one the first people we met when we moved to the area back then. May you all be comforted by the knowledge that one day we will all meet again in our heavenly home and also be comforted by the memories you share of life with Shirley! God bless you all.
