“ *I am sorry to hear of Steve's passing. I had the privilege of starting my law enforcement career with Steve in 1988. Steve did not measure his success by the number of tickets he wrote, or the number of arrests he made, but rather by the number of people he helped. He was one of the finest officers to ever work for Bridgeport Township. He was like a big brother to me back then. I would love to listen to him and Mel Bigelow talk about the good old days, or go riding with Steve, Tom, and Barb. I can't count the meals Jerri made for me or the number of times they let me sleep on the couch. They were my second family. Until we meet again old friend, Mike.*

“ What to say the world paused for moment when the light left Steve. I have know Steve was the bravest and strongest man I have ever known. He was a great friend and he was there for me through some tough times in my life and he believed in me. He was there to help me and teach me to do things I never thought possible. I will miss my friend and all the conversation we had over a cup of coffee and Motorcycle Parts or Building a Powder Coating Oven. Have a wonderful sleep Steve we will see you again.

“ Rest in peace, dear cousin. Because of many miles distance I never got to personally meet Steve but his journey through life as the years went by were shared with me by his loving brother. From this I knew him to be a man of strength, honor, and fortitude, one who anyone would have been proud to know. Steve's pain is gone now but is instead made whole and new, and standing in the glorious light of God. Because we believe, we will one day walk those streets of gold with him. Gerry and family, until that time may God touch you with His comfort and peace and you feel His loving presence. With heartfelt sympathy and love, Jeanne Drewrey

“ The one word that I would use to describe my brother Steve is determination. Even through his disabilities, Steve ignored the pain and never gave up. Steve had many interests that he always strived to be the best at, and he was. My brother was bigger than life to those that really knew him and many of us will miss Steve until that day when we meet again. Farewell for now my friend. Thomas Boehm

Steve's passing away does not seem real to me. It is more like a bad dream. He was a very caring guy and a great brother in law. No matter how much pain he was in he always asked how I was doing and concerned about me. I will miss our talks on the phone, his honesty and teasing. I enjoyed riding our Harleys together many years ago. I am glad he is in no more pain and at rest. Everyone is In my prayers during this difficult time in your lives.

Till we meet again Steve. Your sister in law Barb Boehm
