“ *To the Tucker Family; It's difficult to put into words how Kathy and I feel about your loss. Steve was always the one who could be counted on to help, both with his actions and his kind words. He was always cheerful, thoughtful, and willing to be a friend. We know he will be missed by not only you, but also by those of us who considered him as a close friend. He was always talking about those little ones, and he was so very proud to be their Grandpa. Please let them know what a special Grandpa they had. Please know that you will be in our prayers.*

“ I met Steve when I moved to Midland road in 4th grade. He was five years older than me. I still remember his smile and kindness as we were all growing up. In adulthood I thought of him as the gentle giant. You couldn't meet a nicer guy. I am truly saddened by his passing. He will missed. My deepest condolences to my brothers Curt, Craig, Trevor, and Steves wife and children.

“ *Mrs. Tucker, Kelly, Marshall and Garrett, I was so saddened by the news of Mr. Tucker's passing. I have such good memories of spending time with your family when we were kids. You always made me feel welcomed and I could always feel how much love you shared as a family. I will be praying for you and thinking about you. “ *Steve is leaving a wonderful legacy here on this Earth in his children and grandchildren, and I know that is something that he was very proud of. I didn't know him too well---to me, he was Kelly's dad and Ethan & Ty's grandpa--but that's enough for me to know that he was a good man that passed along a strong faith to his descendants. We will be praying for your family.*
