“ *Sue lived just around the corner from me growing up. I used to give her rides to school. She was a kind and gentle soul who always wore a smile. How profoundly sad.*

“ Susan and I went to school together from kindergarten. She was always so sweet and friendly. We definitely lost touch but I have very fond memories of her.

“ Susie was like an Aunt to our two daughters who grew up across the the road from her in Cross Village. Don, Jean, and Susie were like family and were loved and all are missed. Our condolences to the family, so many fond memories. May Susie rest in loving peace.

“ So very sorry to hear about Sue we spent some fun times together loved her sense of humor I'm sad for us but happy for her she's probably dancing on those golden streets and talking with her Mom who she spoke of often. I will miss her but have so many fond memories. Rest in peace my dear friend. Judy

“ One fond memory of Sue's journey:

The bell at Stutsmanville Chapel had just been rung, after many years of silence, and that was the exact time I got the call from Sue that there was a kidney match available for her. God was smiling that day:)🔔

"Every time a bell rings, an angel gets his wings".

Sue was a sweet soul, a good friend and student for learning about living life though the lens of eternity. She has arrived! Can't wait to see you again my friend, until then~~
