“ Heaven is going to gain an angel; because Tim was a sweet, funny, hard-working guy; he will truly be missed. I remember when he first stated working at HSC on my table; quiet, laid back, but hardworking. As the months progressed Tim began to open up more and didn't know he had a good sense of humor; he really made the day go by. I will truly miss my buddy he would always make me laugh and joke about me...Condolences and prayers to the Schmidt family; may GOD be with you all through this time...GOD bless!

“ I knew Tim a short while in the big picture of life, a few years I believe. I worked with him pretty closely. I knew Tim to be a dedicated, committed and hard working employee. Through casual conversations I came to know he was a very giving and loving man to all his friends and family. This is absolutely tragic. Someone must have needed an angel somewhere. I really don't know what to say. I pray for you Tim to be at rest and I pray for your family and friends that they can remember your kindness and contributions to life before the pain.

“ A wonderful, positive person who would never hesitate to ask how you were doing (in the 3rd person, of course...) I couldn't help but ask him in prayer, "How's Tim doing?" Something tells me that he's doing just fine where he is now. RIP
