“ *I knew Tim and his wonderful family since 1959 our families were close. Tim always like to tell people he had a life long crush on me and when were kids I used to beat him up and throw him in the ditch to get rid of him. He always made me laugh I will miss running into him every once and while and laughing and catching up on each other's lives. My prayers and thoughts to his family and friends.*

Tim was my friend. I will miss his humor and his laugh. I have gotten to know him well in these last few years. He was a caring and thoughtful man. I was weak a couple of nights while leaving our meetings and he helped me to my car. Thank you Tim. I will miss you my friend. I hope they've got a good poker game up there!
