

## Tracy L. Brewer

July 2, 1979 - October 5, 2019

Brewer, Tracy L. (Setula)  
Bay City, Michigan

Tracy Lynn (Setula) Brewer, who was born on July 2, 1979, in Bay County, MI, has been laid to rest at the young age of 40. She sadly lost her fight against Crohn's Disease on early Saturday morning, October 5, 2019, at the Henry Ford Hospital in Detroit with her family by her side. Tracy was the charismatic daughter of Brian and Sharon (Rybkowski) Setula, and the mother of Charleigh Hoult and Riley Brewer, whom loved her with all their hearts. Tracy tried to take on all that life would offer. She joined the choir in high school, enjoyed going to concerts with family and friends, listening and watching her dad sing and play the drums, or just blasting tunes in the car. She enjoyed watching shows and movies, especially on "Sunday Fundays" with her girls and mother. She took pride in her children, whether it was supporting Charleigh in baking goods and bowling, or watching Riley cheering. She liked traveling, as well as camping with family and friends, plus many other activities. She was a spirited, adventurous, caring and loving soul with a great sense of humor. She loved making wise cracks and pulling pranks on her dad. She understood the value of family, but wasn't shy about letting you know how she felt. She will be dearly missed by many.

Tracy was predeceased by her grandfather, Charles F. "Chuck" Setula and her grandmother, Gloria J. (Burns) Rybkowski. She is survived by her parents,

Brian and Sharon (Rybkowski) Setula; her two daughters, Charleigh Hoult and Riley Brewer; her grandfather, Gerald R. Rybkowski; her grandmother, Janet (Norgan) Setula, as well as many aunts, uncles, and several cousins and friends.

The Celebration of Tracy's Life will be held 12:00 noon on Saturday, October 12, 2019, at the Great Hall Banquet & Convention Center of Midland, MI, for family and friends to join together in remembrance of Tracy. Those planning an expression of sympathy are asked to consider memorial contributions to the wishes of the Family. The family would like to Thank some of Tracy's closest friends, Amber Rapelje, Tara Tubb, Tracy Muck, and Krissy Perez for their loving support, comfort, and help during this unfortunate time. Memories and sympathies of Tracy may be shared with the family on her memorial website at [WakemanFuneralHome.com](http://WakemanFuneralHome.com)

“ Although I didn't really know Tracy I did know her dad (Brain and her mother Sharon) they were great people and I know Tracy was just like them. She truly loved and cherished her daughters and you could see they loved her with all their hearts. Tracy was a great mom and took great care of her girls. They were happy and full of love and that is because of the great role model Tracy was for them. Tracy has now arrived home and I hope her parents and her family find comfort in knowing she did not take her journey home alone, she had god waiting for her to take her hand and lead her down the beautiful path to her everlasting home. May She Rest In Peace.

Are you the paparazzi? Tracy would often ask me this question! She was fun, full of life and always laughing or saying something funny. She will be so missed.....and always loved. Hugs and prayers for the family and friends she left behind, to miss her.

“ Tracy will always be one of the kindest people I have always met. From laughs, smiles, talking in our “Boston” accents, “pulling our cords” on our badges, road trips, being there at weddings, she was always there when needed. Though time and distance may have separated us, she always showed her love for her friends, thoughts, support and love for her girls and family. Tracy will always be missed and in our hearts, and her family will always be family.
