“ *To the Blakely family I would like to extend my sincere condolences for the loss of Jim. It only seems like yesterday that the kids in the old neighborhood use to get together to play baseball at Longfellow school, football in the parking lot down the street and basketball in Jim's driveway. Especially trips to Ludington with Jim and family. Unfortunately we all , moved on but Jim would always come back to mind now and than when the only worries we had could we score. My brothers and I always enjoyed Jim's company and the good times we shared. Until we meet again my friend, we can meet on the 19th. hole and discuss the good old times, Jimmy.*

“ I am sorry for your loss. Big Jim was such a kind hearted soul. Over 30 years ago, and I still remember him at bowling center, winning my sister and I stuffed animals from the claw machine. He will be missed!
