“ I had the privilege of meeting Mrs. Schneller once. It was no question why her son Mike is such a kind person. She offered to make me an afghan. I was stunned when I actually received it. It is beautiful and I will cherish it forever.

“ Vera will always have a very special place in my heart. I always called her "Mums" after my mother passed away. She was always like my second mom. Mums was an absolute delight to be around, spunky and always ready to go. My husband Norm and I spent several years bowling, playing cards, and going to Las Vegas with her and Huntz, Joe and Cecile. We always enjoyed her fried walleye- what an excellent cook she was. Thoughts and prayers to all her family.

*Love, Joyce Krogman*

“ We were very fortunate to meet Vera at Hoyt when my mom was living there. She was always so sweet and fun to talk with! I'll never forget her mentioning my grandfather's name and asking if I was related. It gave me such a warm feeling because, since he passed away in 1976, not many people asked about him so it brought back many good memories. She knew him when he worked at a shoe store next to Second National Bank on Court Street. She was a wonderful lady and my thoughts and prayers are with you...so happy to know just a piece of who she was!
