“ Dear Scott, Melissa, Nichole, Kathy and each of you family members. We are so sorry to hear of Vicky's death. We hope that each passing day will ease your pain and replace it with memories filled with love and fun. Vicky's laugh echos in our thoughts as we remember her zest for life and all the fun she brought to things she engaged in as a volunteer. One of the best one's was during the Friendship Games in Canada. We were in an Italian Club having a few beverages following a Bocci competition and a bunch of strong, young Canadian guys hoisted the then young Vicky on their shoulders and carried her out the door. For what adventure, we know not. But her giggles are remembered. Jan and Joe Turner
