“ *I've only known her for 13 years but it feels like a lifetime. She loved her family and her family loved her. She lived 100 years and I think that is amazing. She has had a long, healthy, and wonderful life. She will live in our hearts forever until we are all there with her in heaven. Just remember that she is not alone. She has her parents, her daughters, and her son Kenny who have been waiting for her for a very long time. I love her, I miss her. Even though she is gone she lives more than ever.*
