Although we didn't get to see one another much because you were sick, it always was a pleasure to converse with you. You were so proud of a grandson who was in the military. Peace be with you my friend until we meet again. Rest on.

“ *I miss her dearly. I still want to pick up the phone and give her (my beautiful sister as call). We shared some beautiful phone calls all the years I move away from Saginaw. We shared many beautiful memories and some not so good, but we truly loved each other. I miss her dearly. She is now with her Lord and no more pain. I love you my dear sister and think of you daily. Your pal and friend Carol Hunter and Ken sends his love.*

“ Virginia was always there when we needed her. Virginia was always there when anyone needed her. She would watch our house, babysit our kids and keep an eye on our pets. Going to miss those daily phone calls. We hope we were of some help and comfort during her last few years. Love you Virginia and you will always be missed. Sandy & Dennis

“ Sending Prayers and Deepest Sympathy To Virginia's Family and Her Friend's. Way to many memories to write about but will always treasure. One of my favorite memories is of course was teaching you to Drive and that first trip down River Road from Bay City to Saginaw. Let me tell you I prayed all the way and I think Mark did too. All our many trips and time together Will always be in my thoughts and heart. God Bless You and Take Care of You My Dear Friend. Love and Miss You. Love Evi
